

JOB DESCRIPTION

Job Holder:

Job Title: Creative Artworker

Location: Slough

Reports To: Creative Director, EMEA

AVC Live Ltd a PSAV Company is an exciting and dynamic Technical Production Company working throughout the UK and Europe with a high profile client portfolio.

We are looking for an experienced Creative Artworker who likes to work in a team, has good organisational and communication skills.

The studio delivers design for digital, motion graphics, 3d set visuals, animations, on-screen content and touchscreen applications.

We are seeking an enthusiastic individual to help on external and internal projects at our HQ, located in Slough. The ideal candidate will be proactive, hardworking and motivated.

Experience and skills required:

- Design and create print-ready artwork for print and digital content
- Experience in large format print, mounting, laminating and cutting
- A good eye for detail
- Good working knowledge of resolution, dpi and vector graphics
- Excellent communication skills to ensure schedules run smoothly
- Willing to increase their software experience and skills

Software Requirements:

Adobe Illustrator
Adobe Photoshop
Adobe In-Design
MAC OSX

On applying please send your CV with your salary expectations and an up-to-date show reel to careerseurope@psav.com
